City of Chowchilla

Press Release

For Release: June 28, 2010

City Reminds Residents of Cooling Center

The City of Chowchilla will take proactive measures to set up a “Cooling Center” as needed for those residents not able to find a cool location when extreme temperatures occur this summer.

Chowchilla, CA, June 28, 2010: The Chowchilla Senior Center, located at 820 W. Robertson Boulevard, is open weekdays from 8:30 a.m. to 2:00 p.m. for those in need of cooling and will be opened on an “as need” basis after 2:00 p.m. to accommodate those in need.

For information during regular business hours, call the City’s Public Information Office at (559) 665-8615, extension 110. For transportation to the Center during business hours, call CATX at (559) 665-8655. For elderly residents, those requiring special assistance, or for after regular business hours information, please contact the Chowchilla Police Department at (559) 665-8600.

Residents are also asked to do their part by conserving electricity and water during the hot temperatures. City wells get stressed due to the heat and high water usage therefore causing low water pressure. Please keep your water usage, especially landscape water, to a minimum. Also, it is recommended to set your thermostats at 78 degrees or higher in order to conserve energy.

For further information, please visit the City website at: www.ci.chowchilla.ca.us or our Facebook page, or call the City’s Public Information Office at (559) 665-8615, extension 110.
