Press Release – Shooting occurs overnight in Chowchilla

On Tuesday, October 28, 2008 at approximately 11:45 pm, the Chowchilla Police Department responded to the area of the 1200 block of Kings Avenue regarding several calls of shots fired.

Officers were able to locate two gunshot victims who were transported to area hospitals, one in stable condition and one in critical condition.

After further investigation, officers were able to locate a third gunshot victim at his residence. This victim was treated for a gunshot wound and released at his residence.

Preliminary indications are that the shooting started as the result of an altercation which occurred earlier in the evening.

As this investigation is continuing, the names of the victims and any possible suspect information is not being released at this time. All victims of the shooting were adult male residents of the City of Chowchilla.

As more detailed information is available, it will be forwarded in subsequent releases.
