Recycle Inkjet · Reduce Pollution · Raise Funds

What to do:

1. Most of us have inkjet printers at home or work. Next time when you have an empty cartridge, don't throw it away.
2. Just put it in a Ziploc bag or the original cartridge box and bring it to the [CHOWCHILLA DISTRICT CHAMBER OF COMMERCE](#). (Baggies are available at the Chamber office)
3. We have a special recycle box at the [Chamber Office @ 228 Trinity Avenue, Civic Center Plaza](#)

Benefits to the Chamber:

- The **Chamber of Commerce** will be paid up to **\$4.00** for each cartridge with a print head.
- Prompt cash payment for your **Chamber** when a filled box is sent.
- Free boxes... free shipping.... no cost!

Benefits to our community:

- Reduce pollution. Cartridges do not decompose for 1,000 years.
- Save energy. Empty ones can be remanufactured and reused.
- No buying, no selling, no burden to anyone.

Which cartridges:

- Cartridges with a print head are qualified for payment. That includes most of **Hewlett Packard, Lexmark, Compaq, Canon, Dell, Brother, and Apple**.
- Cartridges without a print head **do not qualify** for payment. That includes all **Epson**.
- If you cannot tell the difference, bring it in anyway.

Everybody helps. We can make a difference.

- You can also get empties from friends, neighbors, and small businesses.
- On average, a person uses 2 cartridges a year.
- The potential is huge.
