

Curbside Used Oil Collection Program

FREE for all City of Chowchilla residents

RECYCLE
USED OIL

Call Madera Disposal at 665-3099 or the City of Chowchilla Utilities Dept. at 665-8615 to schedule a container to be delivered to your residence. You may use your oil container as soon as you receive it.

After changing your motor oil, carefully place the oil in the free container(s) for safe, convenient recycling. Place your container(s) at the curb alongside your garbage and recycling carts. A maximum of two (2) containers per household per collection day will be accepted. **Only authorized City-provided containers will be picked up for recycling.**

Drain oil filters and place used filters in a plastic bag with the holes up. Place oil filter at the curb with your oil container for collection. **Used Motor Oil ONLY, please do not fill with transmission fluid, antifreeze or other non-acceptable materials.**

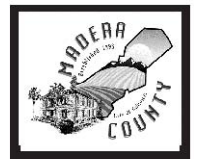

Additional containers are available free of charge for pick up at Fairmead Landfill & Mammoth Recycling Facility 21739 Road 19 or at the Chowchilla Civic Center, 130 S. Second Street, Civic Center Plaza. *For more information, please call the City of Chowchilla Public Information office at 665-8615, extension 110.*

START USING YOUR OIL CONTAINER IMMEDIATELY. PLACE IT AT THE CURB WITH YOUR GARBAGE AND RECYCLING CARTS.
