Re: **Notice of Intent** –Chowchilla Annexation #2.

The City of Chowchilla proposes to annex approximately 145 acres into the City. The purpose of the annexation is to provide City and urban services to the Rancho Calera Specific Pan area. A map of the proposed annexation is attached.

The Madera County Local Agency Formation Commission (LAFCo) requires that at least 21 days in advance of an agency submitting a Resolution of Application that agency must give a mailed notice of its intention to adopt a Resolution of Application to the LAFCo Commission and to each interested agency and each subject agency that may be affected by such annexation. Madera County lists your agency as an agency whose territory overlies all or part of the area proposed to be annexed by the City.

This correspondence is considered the City of Chowchilla's formal **Notice of Intent** to your agency that the City intends to submit a Resolution of Application to Madera LAFCo for the subject annexation no less than 21 days from the date of this notice.

Your agency is further advised that the Chowchilla City Council intends to schedule this matter to be considered at its regular meeting of June 27, 2011 at 7:00 p.m. or as soon thereafter as possible in the City Council Chambers located at 130 South Second Street, Civic Center Plaza, Chowchilla, CA. The public will have an opportunity to speak on this matter as an agenda item.

If you have any questions or require additional information regarding the proposed annexation please contact:
